

Preface iii
Contributors ix

GENERAL MECHANISMS—ANATOMY, PHYSIOLOGY, AND PATHOPHYSIOLOGY 1

1. Classifications and Definitions of Urogenital Pain 3

Ursula Wesselmann and Andrew Paul Baranowski

2. Epidemiology of Urogenital Pain 17

Mary McLoone and John Lee

3. Anatomy of the Urogenital Pain Systems 23

D. Pattern and J. Hughes

4. Physiology of the Urogenital System 45

Vinay Kalsi, Sohier Elneil, and Clare J. Fowler

5. Acute and Chronic Pain Mechanisms 55

Sarah Harper

6. Visceral Pain Mechanisms 61

W. Paul Farquhar-Smith and Siân Jaggur

7. Gender and Pain 71

Pushparaj S. Shetty and Anita Holdcroft

THE MULTIDISCIPLINARY APPROACH 77

8. Multidisciplinary Pain Management Teams 79

Cathy Price

9. Doctors and the Female Pelvic Pain Patient 83

Ying Cheong and R. William Stones

10. Initial Assessment in the Pain Management Center 89

Natasha Curran and Andrew Paul Baranowski

11. Imaging in Pelvic Pain 95

Chris Hare

12. Measuring Pain and Disability in Chronic Urogenital Pain 103

Toby R. O. Newton-John

13. Men and Urogenital Pain 111

Andrew Paul Baranowski

14. **Women and Urogenital Pain** 119
Caroline F. Pukall, Kelly B. Smith, and Katherine S. Sutton
15. **Lower Urogenital Tract Pain and Sexuality** 125
Howard I. Glazer
16. **Training in Urogenital Pain Management** 131
Florella Magora
- THE PAIN SYNDROMES** 137
17. **Renal Disease and Pain** 139
Maria Adele Giamberardino, Giuseppina Afaiani, and Raffaele Costantini
18. **Loin Pain in Hematuria Syndrome** 147
Guy H. Neild and Christopher M. Bass
19. **Bladder Pain Syndrome/Interstitial Cystitis—Biology and Animal Research** 169
C. A. Tony Bufington
20. **Bladder Pain Syndrome/Interstitial Cystitis—Clinical Considerations** 185
Philip Hanno
21. **Bladder Pain Syndrome/Interstitial Cystitis—Treatment Options** 197
Magnus Fall and Ralph Pecker
22. **Prostate Pain Syndrome—Etiology, Epidemiology, and Research** 211
Michel A. Postari and Brett Lebed
23. **Prostate Pain Syndrome—Treatment Options** 223
Henning Schneider and Wolfgang Weidner
24. **Scrotal Pain Conditions** 235
P. Granitsiotti
25. **Urethral Pain Syndrome and Pain Perceived as Related to the Penis** 245
Magnus Fall and Andrew Paul Baranowski
26. **Chronic Pelvic Pain in Women** 251
John F. Steege
27. **Dysmenorrhea** 263
Ian Milson
28. **Pelvic Pain in Gynecological Practice—Endometriosis-Related Urogenital Pain** 277
Levent Hahn
29. **Vulvar Pain Syndrome—Etiology, Epidemiology, and Research** 279
David C. Foster
30. **Vulvar Pain Syndrome—Treatment and Quantitative Sensory Testing** 295
Sophie Bergeron, Caroline F. Pukall, and Genevieve Milloux
31. **Gastroenterological Causes of Pelvic Pain** 309
Howard Y. Chang and Anthony J. Lembo

32. Pain Perceived to be Related to the Anus	321
<i>Anton Emmanuel</i>	
33. Pelvic Floor Muscle Dysfunction and Pelvic Pain	327
<i>Bert Messelink</i>	
34. Musculoskeletal Causes of Pelvic Pain	341
<i>Hans Christian Ostgaard</i>	
35. Groin Pain in Sport	353
<i>Roger G. Hackett</i>	
36. Pudendal Neuralgia: Clinical Signs and Diagnosis	361
<i>Jean-Jacques Labat</i>	
37. Pudendal Neuralgia—Treatment	373
<i>T. Riant</i>	
38. Pudendal Neuralgia—Surgery	385
<i>Roger Robert, Olivier Hansel, and Mansour Khalifallah</i>	
THE THERAPEUTIC SPECTRUM	393
39. Acute Pain in Urology	395
<i>Brigitta Brandner</i>	
40. Chronic Pain Associated with Urological Malignancy	405
<i>John E. Williams</i>	
41. Psychological Intervention in Persistent Pelvic Pain	415
<i>Anna L. Mandeville</i>	
42. Pharmacotherapy for Neuropathic Pain with Special Reference to Urogenital Pain	427
<i>M. S. Chong and Joan Hester</i>	
43. Opioids for the Management of Persistent Noncancer Pain	441
<i>Cathy Steward</i>	
44. Nerve Blocks in Urogenital Pain	451
<i>Diana E. Dickson and Vanessa R. Humphrey</i>	
45. Neuromodulation in Urogenital Pain Management	471
<i>Adnan A. Al-Kaisy</i>	
46. Surgical Considerations for Chronic Urogenital Syndromes	481
<i>Christopher R. Chapple and Jacob M. Patterson</i>	
47. Complementary Therapies and Their Role in the Management of Urogenital Pain	495
<i>Adam Ward</i>	
48. The Role of Counseling in Chronic Pain	515
<i>Beatrice Sofaer-Bennett</i>	
Index	521
